

International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR)

Detoronics is registered by the United States Department of State Directorate of Defense Trade Controls (DDTC) in compliance with the International Traffic in Arms Regulations (ITAR) and the Arms Export Control Act.

Detoronics is also in compliance with the United States Department of Commerce, Bureau of Industry and Security, Export Administration Regulations (EAR) for export of EAR components.

Detoronics has a compliance program in place to assist in the monitoring of defense trade activities related to the requirements of ITAR or EAR.

For further questions about ITAR and/or EAR, please contact Detoronics directly.
